Dr. Michael Prince
"Tongue Management"
James 3:1-12

We love to talk. The average American speaks enough words in one year to fill 66 books with 800 pages each. We spend 1/5 of our lives talking.

- I. My Tongue Directs _____ I _____.
 - A. Your tongue controls the direction of your life.
 - B. If you don't like the direction you are headed, change the way you talk.
- II. My Tongue Can Destroy _____ I _____.
 - A. Words can create a chain reaction.
 - B. Those chain reactions can set your whole life on fire.
 - C. The tongue is deadly weapon that must be continually kept under control.
- III. My Tongue _____ Who I _____.
 - A. The highest use we have for our tongue is to use it to praise God.
 - B. Whatever is in the well, comes out in the water.

Conclusion:

1. Get a new heart. 2 Corinthians 5:17
2. Ask God for help every day. Psalm 141:3
3. Think before we speak. James 1:19
